

MR-MANUFACTURER - USG Interiors, Inc.

PP-PRODUCT PRESENTATION - COMPÄSSO™ Suspension Trim
Allows the creation of straight or free-form ceiling islands or fascias.
Trim styles: 4", 8" and 2-1/4".

UA-USES, APPLICATIONS

Offers all the benefits of sound control, accessibility and the use of lay-in fixtures found in conventional acoustical suspension systems, at a cost less than drywall fascias.

AI-ASSEMBLY, INSTALLATION

Suspension trim interfaces with all DONN® brand suspension systems.

MF-MATERIALS, FINISHES

Colors:

- Available in 24 standard USG Interiors Color Solution colors, or painted to any specification.
- Eight contrasting finishes coordinate with standard ACOUSTONE® and AURATONE® panels and DONN grid.
