

**MR-MANUFACTURER** - USG Interiors, Inc.

**PP-PRODUCT PRESENTATION** - SILENT™ Wall Panels

Sound absorbing fabric and vinyl-covered wall panels.

Panels install easily on existing masonry wall or on gypsum drywall.

Wall substrates of mineral fiber and glass fiber absorb sound.

Standard sizes:

- 30" x 9' and 30" x 10' panels (available in metric sizes).

**MF-MATERIALS, FINISHES**

Standard finishes:

- See color Solutions Fabric Finish Selector, catalog MP-636, and color Vinyl Finish Selector, catalog MP-634, or contact your USG Interiors representative.
