

MR-MANUFACTURER - USG Interiors, Inc.

PP-PRODUCT PRESENTATION - DONN® COORDINATOR™ Ceilings

Modular ceiling system easily integrates with lighting, air distribution, acoustical control and partition attachment.

Most utilities and services are incorporated into the runners to eliminate unnecessary interruptions to the ceiling panels.

Size:

- 5' x 5' modules.

MF-MATERIALS, FINISHES

Module styles:

- Coffered, pyramid, flat and one-directional.
