

## **We stay with you...to the finish.**

### **Over a century of experience in the manufacture and installation of quality pavers.**

HASTINGS PAVEMENT COMPANY offers the unique advantage of one hundred years start-to-finish paving experience. That's why architects, landscape architects and engineers readily specify HASTINGS. They can confidently rely on HASTINGS for professional assistance, from design consultation and material selection, through the completed installation of the pavers.

HASTINGS' Sales Engineers are seasoned experts ready to lend their experience and technical know-how to solving even the most complex installations. They'll advise you on how to specify a roof deck subject to heavy pedestrian or vehicular traffic, how to use pedestals to compensate for extreme roof grades, how to achieve the maximum aesthetics for areas that must withstand heavy pedestrian and vehicular traffic.

For creative designs, few companies can match HASTINGS' full line of paving materials including asphalt, brick, or concrete, or compete with our wide variety of colors, shapes, sizes and finishes. HASTINGS takes complete responsibility for the delivery and careful installation of materials by qualified craftsmen to ensure fast, complete and trouble-free installations. And of course, all HASTINGS installations are fully backed by written guarantees.\*

For your next project ... specify the start-to-finish specialists HASTINGS, with over a century of experience in the paver business.

**GUARANTEE:** \*All pavers installed by Hastings Pavement Company are guaranteed for two years from the completion of the installation, provided that the pavement is utilized in accordance with the original design. Guarantees for more than one year are available at a nominal cost and should be referred to in the specification.
