MR-Manufacturer

For Nearly 40 Years

The Hill family has been in the site furniture industry for nearly 40 years. Their unique combination of products provides you with endless possibilities. From benches, trash receptacles, banners, and post clocks, to coordinated site graphics, we have the creative ideas you require. All of our products are designed for years of indoor or outdoor use. You'll also find our prices to be a pleasant surprise with site furniture products starting at \$299 depending on unit size and volume. Let us work for you.
