

Attractive and Rugged Precast Aggregate Tables

Petersen Mfg. Co., Inc. designs and manufactures concrete tables that are heavily reinforced to ensure many years of service. Most models bolt together for easy installation. Smooth tops and seats ensure easy maintenance. Textures for legs are smooth, lite sandblast or exposed aggregate. Tables with wood seats and/or tops are available in redwood, cedar and treated pine with special orders on request. Polished (terrazzo) optional on all tables. Many models available in handicap styles. Over 50 models to choose from.
