

Attractive and Rugged Precast Aggregate Benches

Many Other Bench Models Available

ALL-CONCRETE

Petersen Mfg. offers a wide variety of all-concrete benches that are attractive, durable and functional. Steel-reinforced, with high-density concrete, ensures long life with little or no maintenance. Available in many colors, textures and sizes. Custom colors, textures and logos welcome. Smooth backs and seats with exposed aggregate legs are standard.

VARIED COMPONENTS

These benches with concrete bases or legs combined with varied components offer limitless variety. Seats and backs can be made of wood, recycled plastic, or plastic-coated steel mesh. Many choices of wood types and recycled materials. Maximal durability and class, minimal maintenance.

(pictured)
