Colorframes

MAKING COMPLEMENTARY COLORS A FOCUS OF DESIGN

DESIGN VERSATILITY
- 9/16" reveal
- Coordinates well with Cirrus and Variegated ceiling panels
- Colorframes Accent Colors
  - Seven bold colors and metallics in contrasting combinations
  - Complement other colors in the space
  - Pick up on accent shades in variegated panels
- Colorframes Coordinate Colors
  - Center insert matched to six standard Armstrong ceilings colors
  - Perimeter creates fine twin line of white in field of color with colored panels
- Continuous reveal intersections for unbroken color continuity or flush fit reveal
- Stab-type end detail for easy installation

SAFETY
- Seismic performance options

DURABILITY
- Double-web electrogalvanized intermediate-duty steel

AVOID HASSLES
- Additional system load and light fixture load data available from TechLine 1 800 448-1405:
  - Colorframes Submittal Sheet, CS-2314
  - Suspension Systems Colors Chart, CS-1565

ESPECIALLY GOOD FOR
- Retail spaces
- Hospitality
- Healthcare environments

PHYSICAL DATA

MATERIAL: Double-web electrogalvanized steel
FACE DIMENSION: 9/16"
PROFILE: Exposed tee
COLOR: Colors and metallic finishes
SURFACE FINISH: Baked polyester paint or anodized
CROSS TEE/MAIN BEAM INTERFACE: Override with continuous reveal or flush fit with noncontinuous reveal
END DETAIL: Stab-type end detail; hook end detail on flush fit
DUTY CLASSIFICATION: Intermediate-duty
See table on this screen.
SEISMIC PERFORMANCE: There are components in this system that can be used in seismic zones 0-4, inclusive. Specify items with tension/compression greater than 180 lbs for zones 3 and 4. For areas under ICBO jurisdiction, please specify the grid systems in this electronic program which list an ICBO evaluation report number such as Prelude, Prelude Fire Guard, Prelude XL, Suprafine and Silhouette.

ACCENT COLORS
Insert Color – Flange Color – Finish Code *
WH White – BL Black – WH-BL
AM Mirror – BL Black – AM-BL
AR Brass – BL Black – AR-BL
PL Platinum – CH Charcoal – PL-CH
HA Haze – CO Cocoa – HA-CO
HA Haze – FG Forest Green – HA-FG
HA Haze – BU Burgundy – HA-BU

COORDINATE COLORS
Insert Color – Flange Color – Finish Code*
AD Adobe – WH White – AD-WH
CR Cream – WH White – CR-WH
HA Haze – WH White – HA-WH
PL Platinum – WH White – PL-WH
TA Tan – WH White – TA-WH
BL Black – WH White – BL-WH

*First two letters indicate color of insert; second two letters indicate color of flange.
