

HARTCO® PATTERN-PLUS® 5000

Go Anywhere Custom Looks.

Five-ply Pattern-Plus 5000 for above, on and below grade commercial and residential installations.

Strength, durability and versatility come together in Pattern-Plus 5000.

Its five-ply construction makes Pattern-Plus 5000 more dimensionally stable than other floors and a variety of lengths and colors allow you to design and create new floors in a wide selection of settings. Hartco's exclusive HartWood™ Thru-Grain process forces acrylic and stain through the wear layer leaving a floor that is harder than hardwood and does not need restaining.

Sliced Cut

Pattern-Plus 5000 features our proprietary sliced cut to give a finer grain and more natural look to the wood.

Pledge of Quality Warranty

- Lifetime Structure
- 25-Year Wear
- Pre-Installation

For a copy of the complete warranty, call 1-423-569-8888.

Modular Design

Pattern-Plus 5000 units are 4-1/2" wide and 3/8" thick. There are four fixed lengths: 9", 18", 27" and 36" as well as random lengths. This modular system allows you to create hundreds of patterns.

Specifications

Top laminate to be 100% oak or maple. All material to be kiln-dried with product moisture content to average 8.0% (plus or minus 2%). Hartco Pattern-Plus 5000 thickness to be 0.375" (plus or minus .004").

Each Pattern-Plus 5000 unit will be square within 0.011" (0.016" for random length), machine sanded top and bottom surfaces and manufactured with a tongue and groove system.

Units to be 4-1/2" by 9", 18", 27", 36" and random lengths lengths with no overwood in excess of 0.010" (0.014" for random length). Each unit to be impregnated with acrylic to increase hardness and abrasion resistance.

Top laminate to be an impregnated red oak or maple wear layer a nominal 1/12" thick and is impregnated throughout with acrylic. Top surface to be factory finished.

Maintenance

For commercial installations, Hartco Easy Clean, Wipe Clean, Spray Shield and Spray Tone are recommended for spills, color enriching and regular maintenance for Pattern-Plus 5000. For residential installations, Hartco Pattern-Plus Shine, Easy Clean, Wipe Clean and Spray Tone are recommended.
