

HARTCO® MAPLE COLLECTION™

Soft, subtle looks with the durability of maple.

Lighten Up Your Life.

The Maple Collection offers a distinct look to complement almost any decorating style. Natural close-graining inherent in maple creates the ideal accent for dens, dining rooms, living rooms or kitchens.

Two widths are available to allow versatility in design. Choose from 2-1/4" strip and 3" plank or combine the two for a unique look.

Three-ply cross-grain construction adds strength and dimensional stability and helps control seasonal expansion and contraction cracks normally associated with solid strip flooring.

Each unit is prefinished at the factory to eliminate messy, unpleasant on-site sanding and staining.

The Maple Collection is designed for above, on or below grade installations in residential applications.

Pledge of Quality Warranty

- Lifetime Structure
- 5-Year Wear
- Pre-Installation

For a copy of the complete warranty, call 1-423-569-8888.

Specifications

Top laminate to be 100% maple. All material to be kiln-dried, product moisture content to average 7.5% (plus or minus 2%). Maple Plank and Maple Strip thickness to be 0.374" (plus or minus 0.005").

Each unit will be square within 0.010", machine-sanded top and bottom surfaces, and manufactured with a tapered tongue and groove system for a smoother surface and ease of installation.

Maple Plank units to be 3" wide, Maple Strip units to be 2.250" wide (plus or minus 0.010") with no overwood in excess of 0.012".

Maintenance

To remove adhesive, ground-in dirt and heel marks use Hartco Wipe Clean. For easy-to-remove food spills and light dirt spots use Hartco Easy Clean. For optional cleaning and protection, Hartco Total Care is recommended.
