Prefinished solid Oak parquet flooring.

FineWood solid Oak tiles are presented in both traditional Parquet and more contemporary 1-Directional format. Each tile is 12" x 12" x 5/16" (305 mm x 305 mm x 8 mm), with full length tongue and groove milling for ease of installation.

FineWood is available in six colors of Oak – Natural, Cordoba, Heritage, Frost, Sandal and Mist – with a tough, factory applied finish of UV-cured urethane. FineWood may also be selected with a traditional wax finish applied to Natural, Cordoba, Heritage and Sandal stains.

Coordinating trim pieces are available for all FineWood color and finish options.

For additional information on FineWood, or any of our other products or services, please refer to our printed Sweet's catalog, or visit our site on the World Wide Web at www.permagrain.com, or send your e-mail request for information, literature or product samples to customerservice@permagrain.com
