

Domco Inc./Azrock Commercial Flooring

Celebrating its 125th Anniversary, Domco Inc. is a leading manufacturer of vinyl floor coverings, with plants and offices in Farnham, Quebec; Houston, Texas; and Florence, Alabama. With national representation throughout the United States and Canada, Domco manufactures and distributes a wide variety of residential and commercial sheet vinyl and vinyl tile products. With over 1,300 employees across North America, Domco is committed to providing distributors, retailers, specifiers and consumers with quality products and services at competitive prices.

Azrock is the Commercial Flooring product line manufactured by Domco Inc. Floor Products in Texas. Since 1932, Azrock has been offering high-quality commercial flooring to help solve the problems and challenges that architects and designers face every day. The Azrock Integrated Commercial Flooring System provides specifiers with an extraordinary array of creative options for almost every commercial application. Domco's mission is to continuously identify problems in the commercial flooring marketplace ... and solve them using Azrock Commercial Flooring products.
