

## **Vinyl Composition Tile**

The full line of Azrock VCT offers the affordable solution for high-traffic areas. Azrock's standard priced VCT, Cortina Colors and Cortina Complements, offers brilliant variety and coordinates perfectly with each other.

The premium priced VCT line includes Classic Granite with realistic patterning to offer high traffic retailers a stylish flooring solution with the benefits of VCT, with seven natural slip resistant matching colors. Nouveau Granite and Nouveau Granite Slip Resistant offer the same flexibility, with new contemporary colorations to nature's timeless design. Also included are Alvarado for the look of Venetian terrazzo and Thru-Quartz for the clean look of a solid color tile with lower cost and less maintenance. For accents, our Solid colors are available in both tile and six widths of Feature Strip.
