

VINYL AND RUBBER STAIR NOSINGS

Mercer Vinyl Stair Nosings are the industry standard for design, function and color. Features 100% homogeneous virgin vinyl formula -- which has the benefit of being extremely durable; flexible for easy installation. Now the same proven shapes are available in Rubber. Mercer's Nitrile Rubber formula meets ASTM standards for rubber flooring while having the benefit of being completely recyclable!

Features include availability in 6 designs solving most carpet and resilient stair needs. Also available in 12 foot stock lengths which provides quick installation with no seams on wide steps.

Matching risers, stringers and wall base are available in both vinyl and rubber giving a color-coordinated, custom look.

Choose from a standard selection of twelve colors (101, 104, 201, 204, 206, 217, 218, 308, 331, 505, 506, 607) in vinyl and rubber treads, floor tile and mouldings. White is also available in vinyl for enhanced visual effects. Colors 211 Mauve, 262 Fawn Blush and 403 Almond are also available (vinyl only) for a 1000' minimum order. Rubber nosings require 1000' per color minimum order.

- Class 1 Fire Rated (ASTM E-648)
- Meets New York State Fire Prevention Code
- Meets New York City Fire Prevention Code
- Meet all ADA, OSHA and California Disabled Access Regulations, Title 24, Section 3306[r] (Slip Resistance) and [r]2 (Nosing Projection)
