

TARAFLEX SPORTS FLOORING STILL ONE STEP AHEAD!

Supplier to the Olympic Games for the past 20 years, including the 1996 Atlanta Centennial Olympic Games, TARAFLEX is a world leader in the field of high performance sports surfaces.

With over thirty years of experience in the manufacturing of specialty flooring and more than **15,000 major sports floor installations worldwide**, TARAFLEX can be specified with confidence. TARAFLEX offers the latest technological innovations in the field of sports floor construction, making sure that the end product will offer peak athletic performance, safety, durability, and ease of maintenance. Our quality standards, which are second to none, have earned us the prestigious **ISO 9001 certification**.

Choose from a variety of thicknesses, styles and colors for multi-purpose sporting events or specialty sports such as basketball, volleyball, team handball, aerobics indoor track and tennis. ***TARAFLEX Sports Flooring ... Still one step ahead!***

TARAFLEX Sports Flooring is available throughout the United States via a specialty network of professional sports equipment distributors. For the distributor nearest you, please contact:
