UA - Uses/Applications

**Hotel and Restaurant
Sales Floor and Behind Counter**

Versatile Tuflex is a cost-effective solution for retail and lodging establishments that require a flooring with uncompromising beauty and durability. Retail areas include sales floors, checkout lanes, pharmacies, storage rooms, cafeterias, break rooms, lavatories and behind the counter areas. Hotel and restaurant areas include lobbies, kitchens, hallways, workout areas, conference rooms, bathrooms, bar area, storage and laundry rooms. Tuflex flooring will decrease employee fatigue and increase traction and safety. Tuflex also resists pitting, indentation and scratches, withstands burns and stains, and provides a sanitary surface that is easy to maintain.
