

# **NWCA BARRIER FREE WALL MOUNTED WATER COOLERS**

## **STANDARD FEATURES**

- Complies with ADA front approach requirement and “Protruding Object” section.
- Pewter vinyl front and sides, with stainless steel top.
- Chrome plated non-squirt bubbler.
- Self-closing, pushdown bar operated on less than 5 lbs. force.
- ET versions include a timed water flow that continues 7-1/2 seconds after activation.
- HF version incorporated an infrared sensor which activates water flow when a user enters the sensor’s range and continues until user leaves. “Delayed start” feature prevents accidental activation.
- Tube-on-tube self cleansing design.
- Stainless steel finish and three glassfillers available at an additional cost.
