

MR-MANUFACTURER - USG Interiors, Inc.

PP-PRODUCT PRESENTATION - TRANSPARENCIES™ Ceilings

Lightweight, acrylic, lay-in ceiling panels with the appearance of traditional glass block.
Size: 2' x 2' panels.

UA-USES, APPLICATIONS

Panels replace traditional ceiling panels with a glass block appearance without the weight, cost and installation difficulties of glass.

AI-ASSEMBLY, INSTALLATION

Panels fit into a texturized exposed DONN® suspension system.

MF-MATERIALS, FINISHES

Designs:

- TRANSPARENCIES™ 100 (Crushed Ice pattern)
- TRANSPARENCIES 200 (Icicle pattern)
- TRANSPARENCIES 300 (Ice Cube pattern)
- TRANSPARENCIES 400 (Melting Ice pattern)
