MAD8AE-SPC/I069AC

SYSTEM REQUIREMENTS:

To run this program properly you should have a computer. (Our technical research shows that a working one is preferred.) Your computer should also have one of those little slide-out "snack trays." Take the snack out and put in one of the small round CD-ROM things that are in this package.

OTHER SYSTEM REQUIREMENTS ARE:

- Windows® 95/98 CD-ROM or Windows NT® 4.0 CD-ROM (Windows with curtains and blinds are optional.)
- Pentium 90MHz or higher (Any slower and you'll be dead by the time you get to reading issue #245.)
- 32MB RAM
- 30MB hard-disk space
- 2 byte soft chewy center
- 9" shelf storage space for the box
- SVGA graphics card and monitor, 640x480 resolution, 256 colors minimum (Warning: Colors may run if washed.)
- 2x CD-ROM drive (Use faster CD-ROM if you're in a hurry!)
- 8-bit sound card to hear great audio ruined by your crappy 2-bit computer speakers!
- Speakers
- Mouse (or IBM-compatible chipmunk)

OPTIONAL:

- Printer
- Modem and Internet access*
- A chilled beverage
- Fuzzy slippers

*Separate access fees may apply.

INSTALL ME!

The Earliest Years: 1952-1960
CD-ROM for Windows® 95/98 and Windows NT® 4.0

Installation Instructions:

NOTE: *Totally MAD* will not install/run on a Windows 3.1 system.

We suggest that you exit all applications before installing this product. Other programs and drivers running on the computer may interfere with the installation process.

Place Disc 1 in the CD-ROM drive. The Windows AutoPlay function automatically offers the option to install the program. Click on **Install** to begin the installation.

NOTE: Only Disc 1 can be used to install *Totally MAD*.

If Disc 1 is already in the CD-ROM drive and you have bypassed the AutoPlay function, follow these steps to begin the installation: Click on **Start** and select **Run...** In the "Open" box, type **D:\SETUP.EXE** and press Enter. If your CD-ROM drive is not drive **D**, substitute the letter of your CD-ROM drive when you type this statement. For example, if your CD-ROM drive is drive **E**, type **E:\SETUP.EXE** and press Enter.

If an installation error occurs, please clean the CD with a dry cloth, wiping from the center to the outer edges.
