

## Online support

There is a support area on the Ability Software web site. See [www.ability.com/support/](http://www.ability.com/support/) where you will find a frequently asked questions section and an explanation of our Support Subscription policy.

If you still cannot resolve your problem, please email [support@ability.com](mailto:support@ability.com). You will be notified of the current support policy.

Program updates are available direct from the web. For instructions, go to the download section at [www.ability.com/download/](http://www.ability.com/download/).
