

The image consists of a large, uniform grid of Chinese characters. The characters are arranged in rows and columns, creating a repetitive and structured visual effect. The characters used are '雷' (Lei), '置' (Zhi), '廉' (Lian), '膀' (Bang), and '崖' (Yá). These characters are repeated in a staggered fashion across the entire page, with '雷' at the top left, followed by '置', '廉', and '膀' in the first row, and '崖' appearing in every subsequent row.

This image shows a large-scale, repetitive pattern of the Chinese character '肩膀' (shoulder). The characters are arranged in a grid, filling the entire frame. The characters are rendered in a simple, black font against a white background.
