

WINNING FORMS from KMT Software, Inc.

Press Ctrl+PgDn or Select the FORM Tab to View the Form

Preview Form Name: DAILY PLANNER

Print Using this Form: You can print this planning form only for those days you can print out a form for each day of the month, insert them in a ring binder for a monthly schedule. Just enter 1 in the day field, and print the calendar. After the first page prints, change the day field to 2, print again, and so on.

Entering Data: Enter data in the various areas either in the worksheet or in the form. To create a planner for a single day, enter the year, month, and day in the appropriate fields. For years after 1999, use 4 digits.
