

**WINNING FORMS from KMT Software, Inc.**

**Press Ctrl+PgDn or Select the FORM Tab to View the Form**

Preview Form Name: QUARTERLY PLANNER

Print Using this Form: This form permits you to plan a full quarter. You can begin in any month of the year, and view a calendar covering that quarter. The small calendar is always the calendar year.

Entering Data: Type your plans and goals in the notepad section, or fill in by hand. Enter values for the quarter and year below (you may enter the first two digits). Enter a month for the start of the fiscal year as a number.

Fiscal Year Begins in Month  Month  Year

set the quarter to  
er. The year shown

in items by  
ull year or  
umeral or by name.

93
