1. Fill in the order form contained in **C:\Tralblzr\Orderit.txt**, then send that order form to Twisted Pine Software at ID **76360,1346** via CompuServe email.
2. If you can't wait, call our national order desk at **1-800-775-PINE**.
3. You can fill the order form out, print it, sign your signature and mail to:
Twisted Pine Software
9320 Hillside Trail South
Cottage Grove, MN 55016-3400

The Trailblazer Tutorial

The Trailblazer tutorial introduces you to and walks you through the basic elements and features of Trailblazer. There is a special directory named TUTORIAL which is loaded automatically when you install the Trailblazer Demo, and you will be navigating through and manipulating its files and subdirectories.

See the file **C:\Tralblzr\Tutorial.wri** for instructions on running the tutorial.
