Mr.GeorgeWashingtonc/o Martha Washingtoom 333VolunteerBoard MemberChairPerson1st President
§

KBSPMS Merge Template

This Sample Merge Template is for use with Word for Windows. Examine this template to see the names of the fields that are available. There is also a file named KBSPMSM.DOC in the WINWORD subdirectory of KBSPMS that contains a macro to replace all "<tab>" strings with real tabs, and all "<cr>" strings with real carriage returns.

The filename specified in the "data" statement at the beginning of this document must specify the actual file specification of the file that you export from KBS: PMS.
