Pasted Graphic 1.tiff ¨

Introduction:
TaskTime4 is a straightforward, simple job timing and invoicing application.

Shareware Notice:
TaskTime4 is shareware. This means you get to try it out for free for 20 days. Once the trial period expires you must register TaskTime3 to continue using it.

Registering TaskTime4:
You can register TaskTime4 by visiting our secure webstore and purchasing a registration code. To go to the webstore double click the "Register Online" web file that came in the TaskTime4 download or go to www.ttpsoftware.com and, on the TaskTime3 page, click the Buy Now button. The Registration Fee for TaskTime4 is $20.00 US.

NOTE: Registered users of earlier versions of TaskTime can upgrade to TaskTime4 for only $5.

How Does it Work?
Launch TaskTime4. Under the Help menu is the TaskTime4 User's Guide that details all the features of TaskTime4.
