

Widget Workshop™

Copyright ©1994 Maxis
Self-Running Widgets Freely Distributable

Widget Workshop is published and programmed by Maxis

Widget Workshop was designed by Elliott Portwood Productions

Widget Workshop has been in development almost two years (!) and the cast of characters that helped it see the light of day include the following:

Lead Programmer:

Mick “Widget Wrangler” Foley

Parts Programmer:

Andrey “Just Make It Consistent” Snegov

Programming Assistance from:

Jamie “Just In The Nick Of Time” Doornbos

Neil “Where’s My Firehat?” Alexander

Producer and PD support cast:

Roxy “I’ve Made A List For You” Wolosenko

Claire “The Psychologist Is In” Curtin

Michael “Mountain Man” Wyman

Alissa “No Problem” Levenberg

Brian “Give Me Solid Code” Conrad

Joe “Whatever It Takes To Get The Job Done” Scirica

All the artwork was done by:

Steve “The Surfing Safari” Greek

All the written materials were done by:

Michael “The Maddest Of The Mad Scientists” Bremer

and edited by:

Debra “Just Checking” Larson

and laid out by:

Vera “Just Lay It On Me” Jaye

Kristine “You Want It When?” Brogno

David “Viva La Italia” Caggiano

All the marketing stuff including the box, flyers, promos, etc. were done by:

Mike “This Will Only Take A Minute” Kretchmar

Tim “Hey Mike” Zuckert

Robin “Give Me The Objectives” Harper

Coordinating all the manufacturing of the package was done by:

Kim “Okay, Where’s My Film?” Vincent

Marty “Mellow Man” Chan

The great Widget intro ditty and all the sound effects were done by:

John “Bing, Boing, Woopa, Galunk” Loose

Widget testing (oh, what a task!) was led by:

Kevin “Scooter” O’Hare

John Ylinen

Marc Meyer

and helped by:

Kurt “Kurt Daddy” Tindle

Rick "I Got This Great Crash" Acquistapace
Mark Vitello
Keith Meyer
Alan Barton
Cathy Castro
Mike Gilmartin
