

## Bug Report Form for IrcCE

Before submitting a bug please check the known bug list (below in this document). If your bug doesn't appear on the list please fill out the following form with as much information as you can (or want).

Once the form is completed, email it to [sourcecode@geocities.com](mailto:sourcecode@geocities.com) with the subject "IrcCE Bug". Hopefully, this will help everyone have a more stable product!

### Bug Fixes list

*12/02/97*

- *Added a scroll bar to the chat window!*
- *Fixed CTCP ACTION bug. ACTIONS weren't working.*

*11/25/97*

- *Added DCC CHAT support. To initiate a DCC CHAT type /DCC CHAT <nickname>.*
- *Added a scroll bar to the user info window.*
- *Added automatic horizontal scrolling of the user input window.*
- *Added up to 220 characters to be input on one line of the user input window.*

*11/21/97*

- *Added CTCP support. To send CTCP type /CTCP <user/channel><ctcpcommand>*
- *Fixed the display of mode changes, however the updates to the user info list doesn't work.*
- *QUIT and nickname changes messages will now be displayed in each channel window affected, instead of the status window only.*
- *Added QUERY support, type QUERY <user>.*
- *Added NOTICE support, type NOTICE <user> <message>.*

*11/19/97*

- *I believe I fixed all the client crashes, including the crashes that occur when exiting. (Later I found that when the user gets kicked off a channel the client crashes).*
- *Added private message support.*

*11/12/97*

- *Fixed more client crashes related to the scrolling of long lines of text off the top.*

*11/6/97*

- *Fixed CE client crashes when running the release version.*
- *Added Word Wrapping feature.*
- *Added IDENT server.*

## Known Bug List

12/2/97

- *When the user gets kicked from a channel the client crashes. Bummer.*

11/21/97

- *User ACTIONS aren't displayed properly. (fixed)*
- *no error checking when user enters in a QUERY or NOTICE command.*

11/16/97

- *Crashes when exiting the program occasionally. (fixed)*

11/12/97

- \* *The user list window doesn't update when a user gets kicked from the channel (fixed)*
- *The user list window doesn't track user mode changes.*
- *Client will crash when attempting to connect 3 times in one session. (fixed)*
- *Still occasional crashes when displaying the MOTD message from the server. Its probably related to the amount of text coming in at that time. (fixed)*

11/6/97

\* *Cannot do any kind of DCC. This has not been implemented yet. (fixed but still cant DCC send files)*

\* *Cannot "Notice" other users. This has not been implemented yet.*

\* *Cannot add new servers to server list in Connection dialog box. This has not been implemented yet.*

\* *Nicknames and User Info doesn't get saved between runs. This has not been implemented yet.*

\* *Some messages start with the string "UM:" and contain a bunch of odd words like "C:", "U:", "H:", etc. This is used to indicate that IrcCE does not understand this server message. These messages are printed to the screen for debugging purposes.*

\* *There is no "Disconnect" menu option. This has not been implemented yet.*

### Current Unimplemented Feature List

- DCC Send files.
- Ability to log the irc session.
- Ability to save irc hosts.
- Ability to save nickname and user info.

If you have other features that you would like to see included email me.
