The Pagan Daybook is neither freeware, shareware or commercial software. It's bookware. If you like the Pagan Daybook, please read Steven William Rimmer's new novel **The Order**, ISBN 1-895268-02-8, published by Jam Ink Publishing. If you enjoy it, tell your friends about it. The Setup dialog of The Pagan Daybook will allow you to enter your name and a citation from The Order to shut off the beg notice.

**The Order** is set in the Scottish highlands, in a decaying castle, in the winter of 1882. It's the story of a young woman who finds herself in the midst of a secret society whose members appear to be killing each other. The secret society dates back to crusader times... the mystery behind it dates back considerably further.
