

# the butterfly bush

Enjoy a garden of  
beautiful butterflies.

This new deer-resistant bush is the first in an easy-care series of miniature butterfly bushes developed at North Carolina State University.

Lo and Behold™ 'Blue Chip' grows 2–3 feet tall and provides continuous flowering. Its dwarf size makes it an excellent choice for small gardens and containers or as a ground cover—it fits anywhere!

This is a hardy plant. Besides being deer resistant, it's drought and heat tolerant.

**A PROVEN WINNERS®/COLOR CHOICE® VARIETY. PLEASE ORDER EARLY—QUANTITIES ARE LIMITED.**
