

Create Stunning Hanging Baskets

Use these easy plant-by-numbers recipes to put together the most beautiful hanging baskets in your neighborhood.

Consult the Color Wheel

Another secret that interior and garden (<http://www.bhg.com/topics/lawn-and-garden/garden.htm>) designers often use is to mix colors that jump a couple of spots on the color wheel. Here, for example, pale yellow adds subtle interest to this otherwise pink-red color combo of sun-loving calibrachoa and verbena (<http://www.bhg.com/topics/lawn-and-garden/flowers/verbena.htm>).

- A. *Calibrachoa* 'Cabaret Light Pink' -- 2
- B. *Bidens* 'Solaire' -- 2
- C. *Verbena* 'Patio Hot Pink' -- 2
