Use these easy plant-by-numbers recipes to put together the most beautiful hanging baskets in your neighborhood.

Create a Mound of Color

See the difference accent colors make? This container uses some of the same plants as the last one, but the warm, glowing shades create a completely different look. This exciting combo is well suited to a spot where you entertain (like a deck or patio) because of its energizing colors.

Use Soft Colors to Create a Romantic Look

Color can affect your mood -- so use it to your advantage. This is a great example; pastel (<http://www.bhg.com/topics/arts-and-crafts/pastel.htm>) shades of lavender and fuchsia pop with a bit of white to create a soft, romantic look in a sunny spot. The soothing combo is perfect for your favorite spot to relax with a good book and glass of lemonade.
