

Create Stunning Hanging Baskets

Use these easy plant-by-numbers recipes to put together the most beautiful hanging baskets in your neighborhood.

Keep It Bold, but Simple

You can't beat calibrachoa (also called million bells) for its incredible flower power. Filling a basket with waves of color from just one variety like this is a great way to create a stunning hanging basket without the work of having to pick plants that look good together. Because calibrachoa blooms in just about every shade, you can find one that's the perfect complement for your yard.
