Bandito Rose Lantana

The Bandito series of lantana is one of the most compact around. And Bandito varieties produce an extra large number of **blooms** because they don't spend as much energy making seeds. The glowing-pink Rose variety is a particular standout because of its rich, unusual color.

Name: Bandito Rose *Lantana*

Growing conditions: Full sun or part shade and well-drained **soil**

Size: To 14 inches tall and wide

Grow it with: Soften this bold lantana with fine-textured white **flowers** such as white calibrachoa or Diamond Frost euphorbia.
