top new blue, pink, and purple annuals for 2010

Endurio Sky Blue Martien Viola

This ultratough viola was bred to withstand extreme weather conditions, so you can be sure to see a steady supply of its blue-purple **flowers** all spring and fall. It has a unique mounding habit and is an All-America Selections award winner for 2010.

Name: Endurio Sky Blue Martien *Viola cornuta*

Growing conditions: Full sun or part shade and moist, well-drained **soil**

Size: To 6 inches tall and 12 inches wide

Grow it with: Grow two award-winners together; you'll love the contrast between Twiny Peach snapdragon and Endurio Sky Blue Martien viola.
