New Live Product Search: Ball Horticultural Company seeks gardening products

« [Two opportunities to win a free product search submission with feedback! How to Value Your Startup](#) »

Ball Horticultural Company is a leader in all facets of floriculture. It breeds and distributes plants to growers, retailers, landscapers and nurseries who supply its products to gardeners throughout the world.

*For this challenge, Ball Horticultural Company (Ball) is looking for new environmentally friendly products that make gardening easier, save time and ultimately help the gardener to be more successful. *

Trusted and established within the industry, Ball has been selling seed, starter plants and production supplies to wholesale and retail growers for more than 100 years. The company's consumer plant brands include Wave® Petunias and Burpee Home Gardens®.
