 **Growing a Greener World TV** Would you take a moment to suggest our page to friends that you feel would like to hear our message, see the show, or join the conversation? Thanks to you we are already over 1,000 fans (I mean, "likes"), but we'd love to keep it going out to as many people as will hear it - not JUST gardening and sustainability folks,...

 **Laura Livengood Schaub** My dad and his Roundup 'Let me just spray that for you, honey!'
 6 hours ago

 **Ivette Soler** SO true, Shannon - a big part of my job is getting clients to manage expectations. Many of them just don't have the time to do what we devoted gardeners do naturally, and it frustrates them... The Type A garden that I'm talking about isn't chemical lawns, it's another thing - but just as intensive in its upkeep.
 about an hour ago

Growing a Greener World airs nationwide on public TV! See local listings. Joe Lamp'ol of "joe gardener", "Garden Girl" Patti Moreno and Chef Nathan Lyon host the series featuring green gardening & more! Presented by Blue Ridge PBS, distributed by APT.
