

# Gardening 101

Posted on: 9:04 am, May 10, 2012, by [Trisha Bee](#), updated on: 09:41am, May 10, 2012

It's time to garden! The last frost date is today, which means gardeners can safely dig into their gardens without the fear of cold temperatures affecting their plants. Diane Hund from Burpee Home Gardens joins FOX6 WakeUp to provide some basic gardening tips.
