Issue 92 **New Plants for 2010**

It's always exciting to see what new plants will be available at the garden center in spring. Take a look at our slide show for a sneak peek!

'Choco Sun' sunflower

Helianthus annuus

Bring sunflowers right up on your patio with this new, even smaller, dwarf variety. 'Choco Sun' is only 10 to 14 in. tall and branches well, giving you a bushier plant with more flowers.

Annual; full sun; 10 to 14 in. tall, 10 to 12 in. wide; heat-tolerant in AHS zones 12 to 1
