"Engaging speakers." "Wonderful ideas." "Great giveaways." "Fabulous food."

That's what gardeners had to say about last year's Outdoor Living Extravaganza events. This year Proven Winners is bringing this enjoyable and educational gardening seminar to additional cities across North America. You'll learn from our experts about creative new ways to use color, the easiest ways to grow plant varieties, how to put together exceptional containers, and much more.

In addition, you'll be treated to a goody bag of exciting gifts-including a plant; you'll enjoy delicious lunch, beverages, and snacks; and you'll have plenty of chances to win great prizes. Even your non-gardening friends will enjoy this relaxed and entertaining look at what's new in outdoor decor, Proven Winners style.
