

## LANDSCAPES

### Cool color

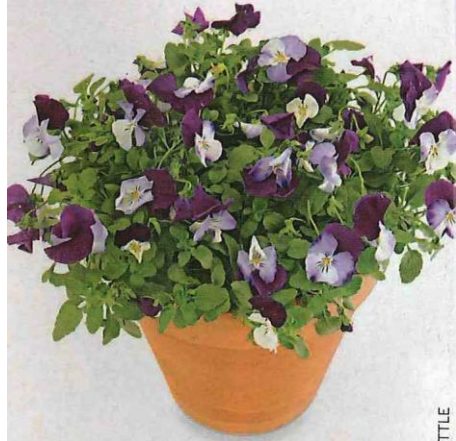

Want peppy blooms that endure chilly temps?

Illinois-based Ball Horticultural Company's Cool Wave pansies come to the rescue. These **new spreading pansies** in

Yellow, White, Frost (lavender and white) and Violet Wing (purple and white, *below*) overwinter up to USDA Zone 5.

Planted in full sun, they'll bloom again in early spring. For retailers

• ([wave-rave.com](http://wave-rave.com)).
