### A GROWING WE WILL GO...

Third-grade students at Browning-Pearce Elementary School recently received free cabbage plants from Bonnie's Plants ([bonnieplants.com](http://bonnieplants.com)). Students were encouraged to take the cabbage plants home, plant them in a vegetable garden and watch and document the plant's growth with a photo. Students can then send in pictures for a chance to win a \$1,000 scholarship. There will be one winner from each state. Students in Mrs. McDonald's class are pictured with their plants in front, Ashley Bennett, left, Marlie Little and Randi Bennett. In back are Corey Burney, left, Jared Baylor, Steven Chamberlin and Ian Jones.
