## 2010 All-American Selections

8 of 12

Jan 21 2010 6:25PM

All-America Selections

'Mesa Yellow' is a gaillardia with 3-inch daisylike flowers and globe-shaped seed heads. The blooms attract butterflies and cut well for cottagey bouquets. Neat, mounded plants reach 20 to 22 inches in a sunny garden. They'll cascade planted at the edge of a pot.
