US Dairy Sustainability Awards

Published September 30, 2011

Highlighting Excellence in Sustainability

Across the Dairy Supply Chain

The dairy industry boasts a strong legacy of caring for the land while contributing to local communities and family businesses. Nominations are currently open for the inaugural U.S. Dairy Sustainability Awards.

Download the nomination form for your category today!

The Elanco Award for Outstanding Dairy Farm Sustainability: Recognizing three dairy farm businesses, regardless of farm size, location or type of operation for demonstrating outstanding achievement in sustainability.

The U.S. Dairy Export Council Award for Outstanding Dairy Processing & Manufacturing Sustainability:

Recognizing processing and manufacturing businesses for demonstrating outstanding achievement in sustainability.

The Center for Advanced Energy Studies/Idaho National Laboratory Award for Outstanding Achievement in Energy:

Recognizing outstanding achievement in energy conservation and/or renewable energy generation.

The awards recognize dairy farms and businesses for practices that deliver outstanding economic, environmental and/or social benefit, all helping to advance sustainability of the dairy industry.

Individuals, groups and organizations involved with, or part of, the U.S. Dairy industry are encouraged to submit a nomination before Dec. 1, 2011. If you need assistance or would like to request a hard copy of the nomination forms, contact InnovationCenter@USDairy.com or call Kristiana Alexander at (847) 627-3723.
