2011 IDF Dairy Innovation Awards

Following the success of the 2010 IDF Dairy Innovation Awards, IDF and FoodBev Media's Dairy Innovation magazine once again invite you to enter your products and initiatives in the world's largest dairy industry awards scheme.

The IDF Dairy Innovation Awards provides a perfect platform to demonstrate this continued commitment. The seven categories range from new products and ingredients to breakthroughs in packaging and sustainability, as well as initiatives in health education and marketing. [Click here to enter.](#)
