

“Got Sustainable Dairy Practices?”

Yes the dairy industry does and several farms and processors were recently recognized for their practices.

Meet the new stars of the dairy universe

Tom Quaipe, Editor
Dairy Herd Network

On March 7, in a special ceremony in Washington, D.C., four farms and two processors were recognized for sustainable dairy practices. [Read more.](#)

Now, they are the stars of a new Got Milk? ad.

Appearing in the ad, left to right, are: Kenn Buelow, of Holsum Dairies in Hilbert, Wis.; Marie Audet, of Blue Spruce Farm in Bridport, Vt.; Ted Sniegocki, of the Dean Foods Company-AgPower Partners collaboration in Gooding, Idaho; Steve Rowe, of Darigold, Inc., in Seattle, Wash.; Dolores Werkhoven, of Werkhoven Dairy in Monroe, Wash., and Mike Brubaker, of Brubaker Farms in Mount Joy, Pa.

The ad will appear in the April issues of Dairy Foods and Supermarket News.
