## US Dairy Sustainability Awards: Upcoming Nominations Deadline

The [Innovation Center for US Dairy](#) is currently accepting nominations for this year's US Dairy Sustainability Awards. The awards will recognize operations that have made commitments to environmental, economic, and social sustainability in the dairy industry. Nominations will be accepted through November 15, 2012, for the following awards:

- Outstanding Dairy Farm Sustainability
- Outstanding Dairy Processing and Manufacturing Sustainability
- Outstanding Achievement in Renewable Energy
- Outstanding Achievement in Energy Efficiency
