

**Land O'Lakes CEO to participate in Food Security panel June 14**

6/1/2012 12:00 AM

Land O'Lakes President and CEO Chris Policinski will participate in a June 14 panel to discuss Food Security in the 21<sup>st</sup> Century.

The event will be co-hosted by *The Washington Post* and *Slate* and is sponsored by The Innovation Center for U.S. Dairy and the Academy of Nutrition and Dietetics.

The Innovation Center for U.S. Dairy is part of Dairy Management, Inc., (DMI), which is promoting June Dairy Month. Land O'Lakes is celebrating Dairy Month by launching its Dairy Delivers campaign to highlight the top-quality nutrition that comes from dairy products, how the dairy industry feeds a hungry world and how dairy farmers are good stewards of the earth.

The event will be streamed live online. Check back for more information and a link to the live stream.
