## CONCEPT OF SHAREWARE

The fee that we charge for our shareware programs is only a distribution charge and does not cover the cost of the program itself. If you find the shareware program to be useful, you are required to register with the author. The registration entitles you to various rights and benefits. This concept allows you to try before you buy.

## TERMS

The data and software on this CD-disc has no guarantee of any type whatsoever. By purchasing this CD-disc we will not be held liable for any damages, including lost savings, profits or any other consequential or incidental damages arising out of the use of any program. Our only warranty, is limited to this actual CD-disc: it is deemed free from physical defects for 90 days from the date of purchase, it is possible that some of the programs will not work on certain configurations. Therefore we cannot guarantee that all programs will work on all systems.

## PERMITTED USE

Although you own this disk, you do not own the programs recorded on it, they are shareware. You may use this disk on compatible computers including networks and on public or private BBS. You may use all of the programs on this disk in accordance with the terms of the authors of the programs in question. Please check the individual files for specific information.
