WorldTours Brazil ReadMe

System Requirements:

Windows: Vista, XP
Pentium II 300 MHz or faster
100 MB of free HDD space
64 MB of Ram
32 MB graphics card
8X CD-ROM or DVD drive

Installation:

Windows XP: Insert CD and follow the on-screen instructions. If autorun doesn't start, go to Start > run > type "d:\Autorun.exe" (If your CD-ROM drive letter is not 'd', replace it with the appropriate drive letter).

Windows Vista: Insert CD and follow the on-screen instructions. If autorun doesn't start, go to Start > type "d:\Autorun.exe" (If your CD-ROM drive letter is not 'd', replace it with the appropriate drive letter).
